PAINT COLOR REQUEST FORM

Villa Address: _____ Date _____

Owner's Name: _____ Phone No. _____

By submitting this request, you are agreeing to abide by the decision of the Polynesian Gardens Paint Review Committee.

In an effort to keep the Villa paint colors continue in a harmonious pattern, the Committee will review the sample paint colors submitted. The Committee requests that no more than three (3) color samples be submitted. The choices can be of the same color, but in varying degrees of hue. The trim and shutters can be painted in white or a coordinating color but a sample must also be submitted for this.

The brand of paint to be used must be Benjamin Moore Paint from the Sarasota Paint Company, Inc., 2031 12th St . This is the company that supplied the paint for the Villa painting project of 4+ years ago, they stand behind their product and also, will give a discount to owners buying paint for use in Polynesian Gardens .

Because the maintenance building has limited storage space, the Villa Owner must store the excess paint indoors at their own Villa and submit a paint chip to the Maintenance Supervisor (Doug) for his reference charts.

Upon acceptance, The Paint Review Committee will then take the color choice to the Board of Directors for approval. (The Board of Directors are making no decisions as to paint color, only signing this form as a sign of their approval.) You will be notified by the Paint Review Committee when your request has been accepted and signed.
